Prospective investors must understand that investments in private securities are illiquid. They may be required to bear the financial risks of their investment for an indefinite period.

Prospective investors should not construe the contents herein as investment, tax, legal, or accounting advice. Any memorandum and any other documents delivered in connection with securities offered by Rockstone Equities LLC, Rockstone Equities Fund I LLC, and their affiliates and the nature of an investment in the securities offered should be reviewed by each prospective investor, and such investor's investment, tax, legal, accounting, and other relevant advisors.
